

PETER & ELIZABETH TOWER FOUNDATION

Strengthening Partner Capacity

2025 Guidelines

Eligibility

- We will **ONLY** make grants to organizations **CURRENTLY PROVIDING SERVICES** in one or more of these regions:
 - Massachusetts: Barnstable County, Dukes County, Essex County, Nantucket County
 - New York: Erie County, Niagara County
- At a minimum, grant partners **MUST CURRENTLY PROVIDE** prevention, treatment, and/or recovery services to people aged 26 years or younger from at least one of these populations:
 - People with intellectual disabilities (including those on the autism spectrum)
 - People with specific learning disabilities
 - People with mental illness/mental health challenges
 - People with substance use disorders
- It's easiest for us to accept grant applications from:
 - Not-for-profit organizations with a 501(c)(3) designation that are not private foundations;
 - Not-for-profit public benefit corporations;
 - Public or diocesan school districts; or
 - Private or charter schools.
- Our ideal grant partners serve one or more of the populations listed above who also have intersecting identities as members of historically marginalized communities (e.g., Black/African-American, Hispanic/Latinx, Native American/Indigenous Peoples, disability, housing insecure, immigrant/refugee, LGBTQIA+).
- While organizations may have more than one active grant with the Foundation at any given time, we are likely to give preference to organizations that have not received a grant award recently. If we decline a funding request, your organization may reapply as soon as the following cycle.

Funding Availability

- Grants are for one year, with a **MAXIMUM AWARD OF \$30,000**, including administrative overhead (at 20%). **We will not consider applications for multi-year awards through this funding opportunity.**
- A total of \$1,050,000 is available in 2025, with \$350,000 awarded in each of three grant cycles.
- We anticipate making approximately 20 awards each cycle: five awards for \$30,000; five awards for \$20,000; and 10 awards for \$10,000 or less. We will make additional awards as funds permit.
- Note: We ask that you include a budget for your request, but you do not need to supply quotes for goods or services.

What We're Most Interested in Funding

Through its Strengthening Partner Capacity grants, the Foundation is interested in funding requests that, [“build and/or strengthen the systems, structures, cultures, skills, resources, and power that organizations need to serve their communities.”](#)

Here are some examples (in alphabetical order) to get you thinking, but this is not a complete list of everything we'll consider:

- Board/Leadership development
- Diversity, equity, inclusion
- Evaluation/Evaluation design
- Mergers/affiliations
- Organizational development (e.g., strategic planning; marketing, development, and/or communications support; process improvement; succession planning)
- Professional development
- Program design and planning (not service delivery; [contact us if you have questions!](#))
- Small capital projects/equipment purchases
- Staff mental wellness support
- Technology planning/purchasing
- What are your ideas? ([We're happy to discuss them!](#))

We recognize that many of these investments target the growth and well-being of an entire organization. For capacity-building projects intended to benefit specific programs or departments, we will give preference to requests that address the needs of young people affected by intellectual disabilities, learning disabilities, mental health, and substance use disorders who also have intersecting identities as members of historically marginalized communities (e.g., Black/African-American, Hispanic/Latinx, Native American/Indigenous Peoples, disability, housing insecure, immigrant/refugee, LGBTQIA+).

What We Will Not Fund

- Existing staff positions (start-up/temporary/short-term positions will be considered)
- General operating support (i.e., support for existing costs of doing business)
- Multi-year projects
- Service delivery or program implementation (these are a better fit for our Programs & Services portfolio).
- **REMINDER: ORGANIZATIONS MUST CURRENTLY PROVIDE SERVICES TO OUR FOCUS POPULATIONS AND GEOGRAPHIES TO BE ELIGIBLE.**

How to Apply

- We **STRONGLY** encourage first-time Tower Foundation grant applicants to contact us to discuss your proposal idea before applying. Go to <https://calendly.com/towerfdn-program> to book a time to talk with a Program Officer.
- Most of our grant requests come in through [the Foundation's grants portal](#). If you don't need any sort of special consideration (see "How to Contact Us" below), please submit your application at: <https://towerfdn.link/grants-portal>
- Please [drop us an email](#) (info@thetowerfoundation.org) to let us know what accommodations would make it easier for you to apply.
- For any of the following situations, please [get in touch with a Program Officer](#) to discuss your circumstances:

- We're happy to take applications in non-written formats (e.g., video, audio). Nothing highly produced, though – keep it simple (but make sure you have good sound quality!).
- Not one of the organization types listed above? No problem. We'll take proposals from groups or organizations that do not have non-profit status as long as they apply through a fiscal sponsor.
- We're very open to accepting proposals written for other funders.

How to Contact Us

If you have any questions that aren't covered in these guidelines, you'd like to discuss a special circumstance, or you want to see whether an idea you have for a grant is a good fit for the Foundation, please get in touch with one of our Program Officers. We particularly recommend that first-time applicants connect with a Program Officer before submitting a proposal – preferably several weeks in advance of the deadline.

- Schedule a phone call: <https://calendly.com/towerfdn-program>
- Send us an email: info@thetowerfoundation.org

Having Problems with the Grants Portal?

- If you're having trouble with the grants portal (e.g., you aren't able to create a new application), please use the Support button on the grants portal home page to request assistance. Please **DO NOT** send an email to the general info email address or to any specific Program Officer (even if you know them well and really like them).
- If the issue is that you can't get into the grants portal, please try a password reset (there's a link on the login screen). If that doesn't help anything, please send an email to support@thetowerfoundation.org and our system administrators will get you squared away.
